26<sup>th</sup> September 2019

Dear Parent / Carer,

The children in year 4 and year 6 will be taking part in Outdoor Education activities with Sc.out.Ed this half term. Sc.out.ed are a team of Science and Outdoor Learning Specialists with over 50 years team experience in outdoor learning and education for young people, Children will take part in **hands-on science** and **outdoor lessons** that will engage and inspire pupils and widen their knowledge and understanding. Lessons will take place every Wednesday afternoon.

As children will be outside, in all weather, we would be grateful if you could provide suitable clothing and footwear, to allow your child to take part fully in the experiences. Please do not buy new clothing, as it may become wet or dirty.

Children will need:

- A warm, waterproof jacket
- Comfortable, old trainers or wellies
- A pair of jogging bottoms or leggings
- An old top
- Warm socks, gloves and a hat

Items should be brought into school in a carrier bag, which can be returned home for washing each week. Do not hesitate to contact school if you have any queries about the activities.

Many thanks for your continued support.

Mrs K. Smith

English, Computing and PE Lead
