Key Stage 2 - Learn to Swim

Dear Parent/Carer,

Can your child swim? What would happen if your child fell into deep water - is your child a strong enough swimmer? Would your child know what to do to save themselves? If the answer is 'no' to any of these questions why not enrol your child now for extra swimming lessons.

Learn to swim or improve your child's swimming in one of our after school clubs. Swimming is an activity that is fun, is a life saving skill and stays with you always.

If your child's school attends lessons at Shotton Primary Swimming Pool and is in Key Stage 2 they can come along and work towards gaining their 25 metre certificate. Lessons run half termly and must be paid for in advance, the charge is £3 per session. Lesson times are 3:30pm to 4:25pm.

Tuesday's swimming club is aimed at non-swimmers. These are pupils who cannot swim or swim up to 10 metres. (Stage 1 to Stage 4).

Wednesday's swimming club is aimed at beginners. These are pupils who can swim 10 metres but not more than 25 metres (Stage 4 to Stage 6).

Please contact the school office on 0191 526 2006 for further details and to enrol your child.

We do have other swimming sessions held at our pool as follows:
