

All About Ancient Greece.

By Emily Milestone

Who are the ancient Greeks?

- The Greeks are people who lived 3,500 years ago
- They had 12 gods and goddess
- They made democracy

When did a
couple get
married?

Most couples got married when their parents said so.

Greek brides were only 13 or 14 years old when they got married! Their husbands were 30 at least!

They had myths

- Do you know about Atlantis. Well a Greek person called Plato was the one to make up Atlantis he said they were rich, powerful and greedy.

Here are some pictures of Ancient Greece.

Gods and Goddesses.

The Greeks believed in many gods:

- Hermes - messenger of the gods.
- Zeus - king of gods.
- Demeter - goddess of crops.
- Aphrodite - goddess of love and beauty.
- Hera - queen of the gods, goddess of women and children.
- Hades - god of the underworld.

Why did Greeks build temples?

The Greeks built temples as homes for their gods and goddesses.

They made the buildings as magnificent as possible.

Inside the rooms were filled with treasures.

Summary

The Greek world began to break up around 300 BC.

Greek temples have survived for nearly 2,500 years but today they are being damaged by air pollution, which attacks the stone and eats it away.
