The Water
Lily Pond
1904

1. What colours are most obvious?
2. How does the picture make you feel?
3. How would you describe this picture?
4. What is it a picture of?
5. What season? How do you know?
6. What wildlife would you expect to see if you visited this pond?

Imagine... you shrank to the size of a frog and you were at this pond in France...

1. What sounds would you hear?
2. What would you smell?
3. What would you see?
4. Which lily pad would you choose to settle on for a while?
5. Where was Monet standing or sitting when he painted this?

Challenge

6. Can you see any colours Monet did **not** use? Why might this have been?
