# FLORENCE NIGHTINGALE

BY SAMUEL ELLSWORTH

BIRTH & DEATH

- Florence was born on the Tuesday 12th May 1820 in Florence, Italy.

- She died on Saturday 13th August 1910 in Mayfair, London.

- Florence was 90 years old when she died.

WHO WAS FLORENCE NIGHTINGALE ? 🤭

- Florence was a young woman who had her mind set on being a nurse, because all the nurses were men.

- She then became a nurse in 1860 eventhough her father said not to, she is still known as the first woman to ever become a nurse (or the lady with the lamp.). 😃😃😃

FUN FACTS!!! ☺

- Florence Nightingale had Victorian parents who were super angry with her for being a nurse.

- She had a pet owl called Athene Noctue.

- Florence is the reason that lots of women around the world are nurses.
