

I'm a Little Seed

I'm a little seed,
Brown and fat,
I haven't got a front,
And I haven't got a back.
Plant me in the earth,
Give me water each day,
I'll grow to be an apple tree,
While you play!

Five Little Seeds

Five little seeds,
Five little seeds,
Three will make flowers,
And two will make weeds.

Under the leaves,
And under the snow,
Five little seeds are
Waiting to grow.

Out comes the sun,
Down comes a shower.
And up come the three,
Pretty pink flowers.

Out comes the sun,
That every plant needs,
And up come two,
Funny old weeds.

Little Flower

Small flower, small flower

Why are you so sad?

One day you will grow and tower

Over the ants so glad.

Small flower, small flower

Why are you so glad?

The sun is shining on your face

The best day ever had.

Sweet Spring

dancing daffodil

shimmering Sunflowers

Fluttering
freely in
the field

red roses

green grass

buzzing bees

pink as gum

purple like plums

Flowers smell like birthday cake and sound like conaries.

sweet as candy

soft as blankets

dancing like ballerinas

FLOWERS

Flowers, flowers everywhere,
In the garden, in my hair.
In the vase and at the store,
On the table, on the door.
What a lovely time of year,
Flowers blooming, bringing cheer.
