Complete your own artwork to show people how plastic pollutes our oceans and seas.

## DT

<https://vimeo.com/34563622>

Watch the video to see Denis makes his own car from a recycled bottle. Can you make your own car?

## Computing

Create a powerpoint to show people how humans are damaging our planet and tell them what to do to make things better.

## History

Plastic is causing lots of problems with pollution. Research the history behind it and write a report about how it has become such a problem.

## Science

Read through the information in Madagascar to find out about deforestation there. You could also do your own research.

Choose one activity to complete -

1. Following the instructions on slides 7 and 8 to investigate deforestation effects.

Or

2. Use the headings humans, animals and plants and explain how each are affected by deforestation.

Activities WB 29.6.2020/  
06.07.2020

Our theme for the next fortnight continues with 'Wonderful World'.

This time we will be looking at our planet and what we can do to protect it.

## PE

Learn about being an Eco-Warrior as you join in with the dance.

Write 5 ways in which climate change is affecting our world and find out what we can do to stop it.

## Music

Listen to the lyrics (words) music from Clouds-Snoopy: the musical. Think about how it makes you feel.

<https://www.literacyshed.com/the-music-shed.html>

Sit outside on a warm summer day and look at the clouds. What can you see? How does it make you feel?

## Geography

Watch the video about recycling

<https://www.bbc.co.uk/bitesize/clips/z7x2tfr>

Can you find out what the symbols mean and go on a recycling scavenger hunt.
