

Writing

Look at the information about endangered animals—can you write some instructions to show how you could help to look after them?

Bees are so important to the environment. Look at the bee resources and then write 5 interesting facts about bees.

Watch the short movie of “The Snail and the Whale.” <https://www.bbc.co.uk/programmes/m000cslw>

“The Snail and the Whale.”

Use pictures and sentences to retell the story.

Let’s help to save our planet by making a poster to show people what they can do to be environmentally friendly—use the resources to help.

Understanding the World

Science—Can you sort the recyclable materials into plastic, glass, paper and metal? (See resources)

Geography— It is important to look after our oceans. Use the oceans information to find out about the 5 oceans and why they are so important. Draw a picture of the ocean and the amazing creatures that live there.

Geography/History—Learn all about the continent of Antarctica and some famous explorers with the Go Jetters.

Can you create your own map of Antarctica or think about what you would need to take with you to visit there?

Reception

29.6.2020 and 6.7.2020

Our focus this fortnight is: “Our Wonderful World,” but this time we are focusing on how we can be environmentally friendly and look after our planet and ourselves.

Physical Development

It is important to look after our bodies by keep fit.
Can you challenge yourself to do some exercises?

Look at the Exercises resource sheet for some ideas.

Expressive Arts and Design

Create a poster to show how you can help the environment by recycling correctly—use the recycling resource to help.

Now that you know how to be a good recycler—can you use your recyclable items to create a model?

We have some many weird and wonderful plants growing on our planet—choose your favourite to draw.
(See plants resources)

Look at the information about endangered animals and choose your favourite animal to draw.

Music

Listen to and sing along with some songs about creation and our wonderful world.

Personal, Social and Emotional Development

We need to look after ourselves by making sure we have a healthy diet. Can you design a healthy meal for yourself? Make sure you label your foods.

As the summer approaches it’s very important that we stay safe in the sun—use the Sun Safety poster to make sure you know how to keep yourself protected.

You also need to be very careful when playing around water.

Use the Water Safety resource to create a poster to show how everyone can have fun and stay safe.
