Mission Statement

Let your light shine (Matthew 5:14-16)

We are a partnership between school, home and parish. We recognise through the respect we have for each other that every one of us is unique, with special talents. By letting our light shine we reflect the love God has for each one of us. In our school we try to live out the Gospel message. We do this by showing our love and respect for God, our love and respect for each other and our love and respect for all of creation.

We are 'the light that gives light to the world'.
