

### Year One Maths Planning 22nd June 2020

#### Weekly Focus: Fact Families

#### Activity

Monday  
 This week we are going to be thinking about **fact families**. A fact family is a group of calculations (= and -) that are created using the same three numbers.  
 e.g Let's use the numbers **1, 2, 3** to make a fact family using + and -

$1 + 2 = 3$
$2 + 1 = 3$
$3 - 2 = 1$
$3 - 1 = 2$

Now let's use the numbers **4, 6, 10** to make a fact family.

$4 + 6 = 10$
$6 + 4 = 10$
$10 - 6 = 4$
$10 - 4 = 6$

**Task:** Watch this fun learning video <https://www.youtube.com/watch?v=9lhZDEffyTk>. Can you make a fact family using these numbers? **3, 4, 7**

Tuesday  
 Let's remind ourselves about **fact families**- watch <https://www.youtube.com/watch?v=aK3FKEZJKec>

**Task:** Write out the fact families for:

12	
8	4

20	
13	7

11	
10	1

Can you make your own fact family?

Wednesday  
 Watch <https://www.bbc.co.uk/bitesize/articles/zkd98xs>

 and . Then play 

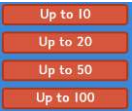

<https://www.bbc.co.uk/games/embed/karate-cats-2?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzf4sscw> Have fun Year One!

Thursday  
 Look carefully at the fact families – are they correct? <https://www.splashlearn.com/math-skills/first-grade/mixed-operations/fact-families>

Good Luck Year One!

Friday  
 Can you find the fact families using the given numbers? <https://www.topmarks.co.uk/number-facts/number-fact-families>

Start with 'Up to 10' then work your way up to as high as you can go! Enjoy Year One!
