

Year One Maths Planning 29th June 2020

Weekly Focus: Counting in Two's and Tens

	Activity										
Monday	<p>This week we are going to be thinking about Counting in twos and tens. We will start today by practising our counting in 2's. Join in with this counting in 2's song https://www.youtube.com/watch?v=hae10bsW_CM.</p> <p>Can you remember in class when we counted in 2's all the way to 100?</p> <p>Task 1: Look at this online hundred square – can you add paint spots to count in two's? http://www.mathszone.net/mw/number/100sq/index.html</p> <p>Task 2: Use your counting in 2's hundred square to play this fun game. https://www.abcya.com/games/number_bubble_skip_counting click on </p>										
Tuesday	<p>Let's remind ourselves about counting in 10's- watch and work out with Jack Hartman https://www.youtube.com/watch?v=W8CEOIAOGas</p> <p>Task 1: Look at this online hundred square – can you add paint spots to count in tens? http://www.mathszone.net/mw/number/100sq/index.html</p> <p>Task 2: Use your counting in 2's hundred square to play this fun game. https://www.abcya.com/games/number_bubble_skip_counting click on </p>										
Wednesday	<p>I have seen LOTS of caterpillars in my garden and in the park near my house too – have you seen any near where you live?</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div> <p>Task 1: Can you draw and make a counting in two's caterpillar? E.g.  or look at this even longer one!</p>										
Thursday	<p>Can you make a counting in tens numberline? E.g. <table border="1" style="display: inline-table; text-align: center;"><tr><td>10</td><td>20</td><td>30</td><td>40</td><td>50</td><td>60</td><td>70</td><td>80</td><td>90</td><td>100</td></tr></table></p> <p>Use your number line to answer the Counting in tens in the Pet Shop word problems – this is in the resources section. (You don't need to print this out – just use it to read and write the answers in your book or onto some paper) Good Luck Year One!</p>	10	20	30	40	50	60	70	80	90	100
10	20	30	40	50	60	70	80	90	100		
Friday	<p>Use your counting in twos caterpillar AND you counting in tens number line to help you answer the Counting in Two and Tens Word Problems – this is in the resources section. (You don't need to print this out – just use it to read and write the answers in your book or onto some paper) Enjoy Year One!</p>
