

Religious Education

Year: Reception

Week Beginning: 22nd June 2020

We are now coming to the end of our Reconciliation topic.

Now that you have completed your activities, hopefully you will now all understand:

- We can all make friends
- Jesus had good friends
- What Jesus tells us about friendship

At the end of our RE topics we always take a moment to reflect on what we have learnt. This week I would like you to think about the following things and create a poster to share your thoughts. (The key vocabulary on the next page might help you.)

- How friends make us feel happy, comfortable and glad.
- What breaks and mends friendships.
- How Jesus is our friend.

Don't forget to email me your work: l.wetherell202@durhamlearning.net
