

## Art/DT

Design your very own cap to keep you safe from the sun!  
Think about what materials you will use, will it be waterproof?  
How big will it be?

Design your very own recycling logo. ( see resources)

## History

Charles Darwin loved animals and discovered how the environment effected how they lived and changed throughout the years. Can you write a fact file about his amazing life?

Watch his video to see his trip to the Galapagos!  
<https://www.youtube.com/watch?v=03YKT7ytJdE>

(see resources)

Can you compare two beaches one from the past and from now.  
(see resources)

## Music

[https://www.youtube.com/watch?time\\_continue=23&v=RsiBaccR5Jg&feature=emb\\_logo](https://www.youtube.com/watch?time_continue=23&v=RsiBaccR5Jg&feature=emb_logo) Can you sing along with Jack Johnson! I can't wait to see you sing!

Can you create your own instrument using recycled materials at home! Use anything you might have! Even a piece of paper! Try blowing into it! See what happens.

## Activities WB 29.6.2020/ 6.7.2020

Our theme for the next fortnight is Our Environment. We are going to be exploring the different animals and what we can do to our earth happy! We will look at sun and water safety too!

Work through it at your own pace.

## PHSE

As it gets hotter we need to think about sun safety!  
Read the powerpoint about sun safety and create your very own outfit and label it to show everyone how to dress to stay safe in the sun!

<https://www.youtube.com/watch?v=WOv5HGOJYTA>

Use the PowerPoint to help you too!

It is very important as we visit beaches we are also safe by the water. Create a poster to remind everyone to stay safe in the water this summer!

(see resources)

## PE

Can you create a dance pretending to be an animal from the Galapagos?

Crouch down like a turtle, waddle like a penguin and swim like a shark!

## Science

Watch this video and the make a list of all the things you can recycle.

<https://www.bbc.co.uk/bitesize/clips/z9p9j6f>

Using the information from this video can you design a persuasive poster to let people know why they should be getting rid of their rubbish properly?

Read through the climate change PowerPoint and think of five ways we can help repair the earth. You can use the sheet to help you!

(see resources)

## ICT

<https://www.bbc.co.uk/games/embed/education-ivor-pirate-rabbits?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticle%2Fz6vvyf4j>

play on the games to explore the world!

<https://www.bbc.co.uk/bitesize/articles/zq3gp4j>

Explore how we stay safe online.

## Geography

The Galapagos Islands are amazing they are home to many different animals! Can you research the islands and create a fact file about them!

<https://www.natgeokids.com/uk/discover/geography/countries/ng-kids-heads-to-the-galapagos-islands/>
