

Religious Education

Year: Two

Teacher: Miss Harker

Week Beginning: 8th June 2020

Our next RE topic for this half term focuses on reconciliation and how we can make friendships and relationships with other human beings to live happily together. As we explore this topic we think about how as Christians we believe that, in Jesus Christ, the world has been reconciled to God. Through and in Christ, every human being is offered the power to reach out in forgiveness and peace, to receive and to offer reconciliation.

To start our topic we explore why we need rules and how they impact our lives.

Read the story about sports rules and answer these questions.

- What new rules did Robin learn?
- Why were they important?
- What do you think of David?
- What made Robin happy?
- What would have happened if Robin had not followed the rules when he played with the others?
- Are there good and bad rules, give examples? (e.g. it might be rules made up by one person who is being bossy about their game.)

I would like you to think about the rules that help keep us safe, in particular road safety. Make a list of essential rules for the road, illustrate what could happen to us and others if they are not kept. People are free to use the road and to keep safe when the rules are kept.

Use this video to help with some rules of the road!

Robin asked his big Brother David if he would play football with him. David explained that football has rules and that you have to keep the rules to play properly. Robin was only four so he did not understand about the rules of football.

David explained simply that he had to try to get the ball and kick it into the net. David knew he had to be patient with Robin.

Robin ran around making silly noises, kicked David and picked up the ball and ran up the garden path.

When he came back David asked him whether he wanted to play with the other boys in the park.

'Yes, yes!' Replied Robin.

'Right,' said David, 'well, if you are going to play with others you have to learn some rules or no one will want to play with you.'

David told Robin he must kick the ball and not to pick it up, he was to keep on the pitch and not hurt other players.

Robin understood and tried hard when he and David practiced. The next week Robin was joining in the game with other boys and girls in the park. He really enjoyed himself. David was proud of him.
