

Year One Maths Planning 13th July 2020

Weekly Focus: Odd and Even Numbers

	Activity
Monday	<p>This week we are going to be thinking about Odd and Even Numbers. An even number is a number that can be divided into two equal groups. An odd number is a number that cannot be divided into two equal groups.</p>  <p>Task 1: Enjoy watching the Numberblocks finding out about odd and even numbers https://www.youtube.com/watch?v=E3uxBI9npas</p> <p>Task 2: Can you remember any of the odd numbers? Can you remember any of the even numbers? Tell your family what you remember.</p>
Tuesday	<p>Let's remind ourselves about Odd and even numbers- watch and work out the answers https://www.youtube.com/watch?v=oesINcpSuZc</p> <p>Task: Can you find out if these numbers are odd or even by grouping them into 2's just like in the video? 11, 6, 18, 21 – Good Luck Year One!</p>
Wednesday	<p>Have you noticed that even numbers end in 2, 4, 6, 8 and 0 and odd numbers end in 1, 3, 5, 7, and 9?</p> <p>Task: Enjoy playing this odd and even game https://www.topmarks.co.uk/learning-to-count/coconut-odd-or-even Start with </p>
Thursday	<p>Task: Enjoy playing this odd and even game http://www.sheppardsoftware.com/math/early-math/odd-even-fruit-splat-game/ Start with </p>
Friday	 <p>Task: Find out if the children are correct or not. Are the correct? (see resources section) You don't need to print them out – just read and write down your answers. Good Luck Year One!</p>
