

HASWELL & DISTRICT MENCAP

Company Number: 5484495 Charity Number: 1113417

Dear Parents

As the half term holiday approaches we know only too well the worries that parents may be facing. Due to the current local restrictions activities during the half term for families will also be limited.

We are delighted to inform you that we have received further funding to once again support families across East Durham with the provision of both free activities and food to enjoy in your homes.

You will see on the poster overleaf a daily activity programme. An activity pack full of wonderful crafts and activities have been put together and we will also provide each child with a free hot two course meal during the half term.

As places are limited to 25 children, we request that you either contact the number on the poster or private message our facebook page www.facebook.com/haswellmencap to book your child's space.

Due to the current social distancing guidelines once your space is secured you will be allocated a time for you to come and collect your activity packs and meals.

We look forward to hearing from you.

Yours Sincerely

Kirsty Crow
