School Update

I would like to inform you that we have had a confirmed second case of Covid-19 in school. However, as the infectious period relating to this person has fallen in the school half term, no children or other staff have been affected.

I would like to remind you that the Class One Bubble will stay at home until Thursday 5th November and we will welcome all of our other children back to school in the morning.

Yours sincerely,

Mrs Ashton

Headteacher
