17<sup>th</sup> December 2020

Dear Parents/Carers,

### **School Performances**

Christmas performances at Our Lady of Lourdes have always been one of the highlights of the school year. It is a time when our children can truly let their light shine. This year, while we cannot invite parents into church to watch a performance, and we are very restricted to what we can do in school, we would like to share some Christmas cheer online. Hopefully, the children will not only make you smile but also share the true meaning of Christmas.

You can watch our Christmas offerings by clicking on the parent section on the main page of the website under the Christmas Zone. We will also send the link to the Christmas performances directly via text.

### **Reporting symptoms after the school closes for Christmas Holidays**

Following school closure today, if your child develops symptoms of coronavirus you must book a test.

If your child develops symptoms up to and including December 19<sup>th</sup> which results in a positive test up to 23<sup>rd</sup> December, you must inform the school at [ourladyoflourdes@durhamlearning.net](mailto:ourladyoflourdes@durhamlearning.net)

Please include the name of your child, their class and the date that their symptoms started, as well as your own contact details. After the 23<sup>rd</sup> December, please follow the Public Health England advice.

School reopens after Christmas on Tuesday 5<sup>th</sup> January 2021.

On behalf of all the staff, we wish you a peaceful and happy Christmas.

With very best wishes,

Mrs Ashton  
Headteacher
