

Dear Year Two,

I hope that you and your families have had a lovely Christmas holiday and that you are all keeping safe and healthy at home.

I have thought about you all a lot and can't wait to find out what you have been up to.

I have put together some learning tasks for you all to do whilst you are at home. There is a Maths, Phonics and an English activities for you to do each day, plus you can choose another one of the choice tasks to do. If you are not sure about any of the activities, then please ask an adult to send me an email and I will try and help.

My email is: y.harker300@ourladyoflourdes.durham.sch.uk

I would really love it if you could email me a photo or a copy of the work that you complete at home- I'm sure you will give 100% as you do when you're in school.

I would like to remind you to keep reading and sharing stories. You can access ebooks on <https://home.oxfordowl.co.uk/reading/free-ebooks/>.

We also have times table rock stars that you can access (if you need your username/password sending again please just email and let me know) You might also enjoy some other times table games, I have included the links below.

Please keep in contact and let me if I can help in any way. I can't wait until we are all back together again.

Stay safe.

Best Wishes,
