

Religious Education

Year: 5 Teacher: Mr McPhail Week Beginning: 11^h January 2021

Weekly Statement: I try to follow our school and classroom rules

How can you take our school ethos and carry it out at home?

Our new topic in RE is “mission”. Christians believe that we are all on Earth for a specific reason. This reason is our “mission” and is what makes us unique. A good example is Jesus, as his mission was to spread the Good News and to allow people to be forgiven of their sins.

You may not know what your mission is or what you want to do when you grow up – when I was very young I wanted to be a fireman, I only realised my calling was teaching when I got a bit older! For your RE learning this week, I want you to consider what you want to do when you are an adult. As well as a job/career, can you also think about how you can use your job to help people and what you will need to achieve your mission? You may not know what you need to achieve your mission, you might have to research it. I have typed an example below as someone who wants to be a teacher (which might be some of you!).

I think my mission is to be a teacher. I can use my job as teacher to help other people learn and share with everyone what I know. I can also help children to let their light shine. To be a teacher I need to work hard in school and go to university when I leave school. I could also help out in clubs or volunteer to work with children to get experience.
