Class 5 English Planning—WB: 11.1.2021

| | Objective | Activity |
|-----|--|--|
| Mon | Spelling | Work through the spellings for this week! There are practice sessions and games you can play to learn the words on the below link https://www.spellzone.com/word_lists/list-1335826.htm |
| Tue | Comprehension | Have a go at the comprehension questions from the text. (The comprehension will be in the home learning area on the Class 5 page). |
| Wed | To write a summary | This video is going to be our writing stimulus for this week! It is a video set in Ancient Maya and it follows the adventures of a boy called Toki. I would like you to watch the video and write a short synopsis (what happens in the video) in chronological order (in the order everything happened from the start to the end). You need to describe what happens in the video to a person who hasn't watched it! https://www.youtube.com/watch?v=29fIGlr0cuQ |
| Thu | Using fronted adverbials to engage the reader's interest | In order to write in an engaging and interesting way, we need to be able to use descriptive words. I would like you to write a short description of the opening minute of the video clip using fronted adverbials to excite the reader. https://www.youtube.com/watch?v=29fIGlr0cuQ Please use this link to remind yourself of what fronted adverbials are and how to use them if you are unsure! https://www.bbc.co.uk/bitesize/topics/zwwp8mn/articles/zp937p3 |
| Fri | Varying sentence length to create suspense | When we are writing, we can vary our sentence length (make our sentences longer and shorter) to engage our reader and to add an atmosphere to our writing. I have included a help sheet in the Home Learning area to help you with your writing today. Can you write a short description of the animals that Toki and the chameleon catch in the net, using different sentence lengths to make the reader engaged and excited? https://www.youtube.com/watch?v=29fIGlr0cuQ |

I would also like you to use Reading Plus each day to practice key reading skills. Reading Plus should be used for at least 20 minutes a day.

If you have been placed on hold or need a reminder of your username/password then please send me an email.
