...let your light shine!

Class 5 English Planning—WB: 25.1.2021

	Objective	Activity
Mon	Spelling	Work through the spellings for this week! There are practice sessions and games you can play to learn the words on the below link https://www.spellzone.com/word_lists/list-389.htm
Tue	Comprehension	Have a go at the comprehension questions from the text. (The comprehension will be in the home learning area on the Class 5 page). Our comprehension is an instructional text this week, which will be useful for our long writing next week!
Wed	To use time conjunctions to order ideas	I would like you to use conjunctions today in your writing. Time conjunctions can give us an understanding of the order to do things – they are very useful for instructions. I have included a conjunctions word mat in the English resources – can you use them in sentences?
Thu	To create instructions	I would like you to write a short set of numbered instructions for an activity of your choice! You can use our comprehension from Tuesday as a guide. You could write instructions about something simple, such as how to make a cup of tea!
Fri	To organise information into paragraphs	Our writing next week will be an explanation text about “the ballgame”. You may well have no idea what that is – I would like you to watch the clips and complete the reading in the Home Learning area and make notes that we can use for our report next week. Write your notes under the following headings <u>What was the Ballgame? What were the rules? How did you play the game?</u> https://www.bbc.co.uk/bitesize/topics/zq6svcw/articles/zbqyy4j https://www.dkfindout.com/uk/history/mayans/ball-game/ http://www.mayankids.com/mmkpeople/mkballgame.htm https://kids.kiddle.co/Mesoamerican_ball_game

I would also like you to use Reading Plus each day to practice key reading skills. Reading Plus should be used for at least 20 minutes a day.
