

Dear Class 3,

Happy new year!

What a strange way to begin 2021! I hope you all had a well-deserved rest and enjoyed spending some time with your families over the Christmas holidays. I was so looking forward to seeing you all again and hearing your stories from your time away from school but hopefully we won't be apart for too long.

Each week I will be uploading some maths, English and topic related jobs for you to complete at home to the best of your ability. You should complete a maths, English and at least one topic related job each day and please send me any work that you are proud of. I really miss seeing your smiling faces when we aren't at school so this would really brighten my day!

My email is : [j.brack300@ourladyoflourdes.durham.sch.uk](mailto:j.brack300@ourladyoflourdes.durham.sch.uk) .

If you are unsure about any of the jobs or worried about anything, please don't hesitate to speak to an adult and email me. We're still one team even though we can't all be together!

While you are off school, it is really important to keep reading every day. During the last week of school before the Christmas holidays, you all completed a special job on our laptops using our new programme called 'Reading Plus'. You can access this at home and earn points! I will be checking to see who has been using this programme and trying their very best! I would suggest you go onto reading plus for 15 minutes a day, and you can email me to receive your log in details.

Don't forget to practise your times tables using Times Tables Rockstars every day. I will be challenging most of you to learn your 3 times tables and may even set some tournaments and battles - so keep a look out!

Last but not least, remember to keep being the very best you can be. Remember this can be by making people smile, being kind, resilient and caring.

I will look forward to hearing from you.

Take care and stay safe,

Miss Brack
