

Hi Class 5,

I hope you have all had a nice break over Christmas and a good rest - you all worked really hard last term!

I have planned some learning tasks for you to have a go at while you are at home. I want you to try your best when completing them, and don't be worried if you find the activities tricky or get stuck. You can always ask me for help at

[a.mcphail300@ourladyoflourdes.durham.sch.net](mailto:a.mcphail300@ourladyoflourdes.durham.sch.net)

These learning tasks will hopefully be fun for you to complete and will keep your learning active at home until we are all back in class together. I also would like you to go on Reading Plus for at least 20 minutes a day and to use TT Rockstars to practise your times tables. If you have any problems logging in to any of these sites then please let me know!

I look forward to seeing your hard work and to being back together in school as soon as it is safe for us to do so.

Mr McPhail
