

Year One Maths Planning 11th January 2021

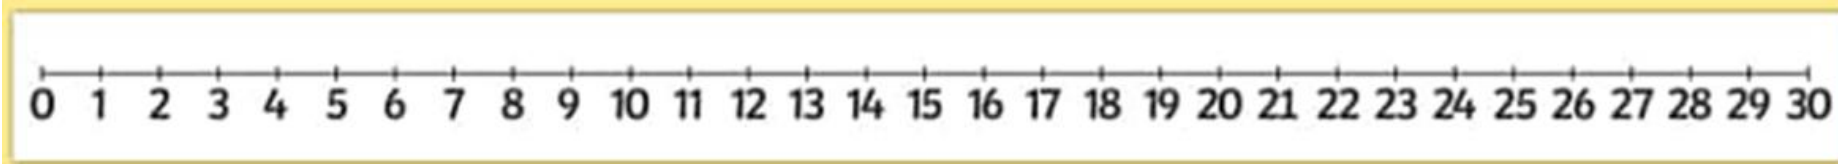

Weekly Focus: Place Value

	Activity
Monday	<p>This week we are going to be thinking all about Place Value to 30.</p> <p>Task 1: Count forwards and backwards and write numbers to 20 (or 30 if you can!) in numerals and words.</p> <div style="border: 1px solid yellow; padding: 5px; display: inline-block;"> </div> <p>Task 2: Fill in the missing numbers on the number tracks on page 2 of this document (Use the 0-30 number line to help you if you find it difficult). You do not have to print this page – just write in your work books – Good luck Year One!</p>
Tuesday	<p>Task 1: Can you read these number words to your families?</p> <p style="text-align: center;"> zero nine five two three six one four seven eight ten thirteen seventeen eleven twenty sixteen fourteen twelve eighteen fifteen nineteen </p> <p>Task 2: Write the words in order in your books e.g. 0 = zero 1 = one</p> <p>Extra: Can you read the numerals in this fun game: https://www.topmarks.co.uk/learning-to-count/teddy-numbers</p> <div style="text-align: right;"> Give teddy five cakes </div>
Wednesday	<p>Task 1: In your books write these numbers in words. 17 11 16 20 12 19 21 30 (you can do some extra ones if you like!)</p> <p>Task 2: Can you read the numerals in this fun game: https://www.sheppardsoftware.com/math/early-math/number-words-fruit-splat-game/ Match the numbers to their words – I know you will enjoy this very messy game!</p>
Thursday	<p>Task 1: How many? (See page 3 below) (a)How many spots? (b)How many counters in the tens frame? (c)How many unifix? Write the answers in your workbooks.</p> <p>Task 2: In your books draw the correct amount: 13 11 16 14 12 18 15 10 e.g. 11 = 😊😊😊😊😊😊😊😊😊😊 (you can do some extra ones if you like!)</p>
Friday	<p>Task 1: Look carefully at the table. How many rolls are there – count them carefully. You can see that the numeral 20 has been filled in – so what word should be added to the last box? Write it in your workbook.</p> <p>Task 2: Look carefully at the table – in your books make your own table using these numbers and number words. (you can do some extra ones if you like)</p>

Don't forget to log on to Numbots every day! Who can collect the most coins?
Good luck everyone!

Monday 0-30 Numberline

Complete the number tracks.

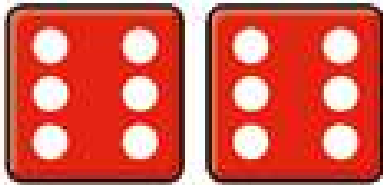

10	11	12							
----	----	----	--	--	--	--	--	--	--

			12	13					
--	--	--	----	----	--	--	--	--	--

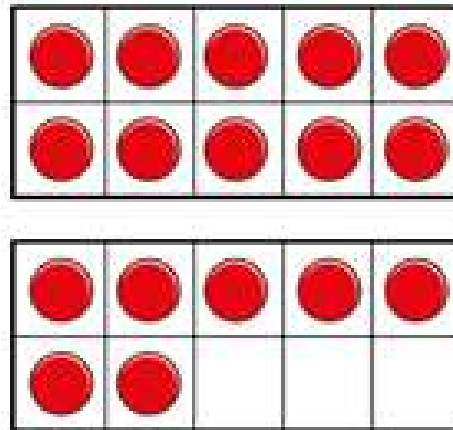

18	17								
----	----	--	--	--	--	--	--	--	--

Thursday: How many?

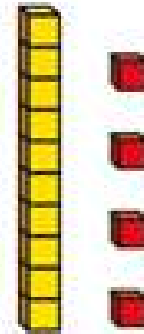

a)

b)

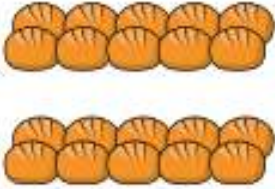

c)

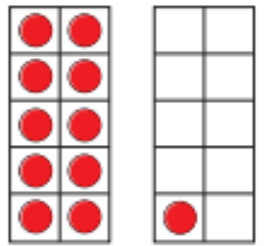

Friday: Complete the table

Task 1:

Picture	Numeral	Word
	20	

Task 2:

		
	12	
		seventeen
