...let your light shine!

Reception Maths Planning—WB 18.1.2021

Weekly Focus: Shape, Space and Measures: Time

Warm up: Sing this Days of the Week song:

[Days of the Week](#)

Wednesday

Task - The wizard has a challenge for the princess every day!

Can you give yourself 7 challenges – one for each day of the week?

Make a list of your seven challenges and tick off as you complete them day by day!

Could some of the challenges help your adults at home?

Could it be a way to be kind every day?

Thursday

Warm up: Watch the video and try the game to help you learn the Days of the Week:

[BBC Bitesize Days of the Week](#)

Task: Think back to Tuesday's maths lesson when we talked about the different events that happened on each day.

I would like you to make a timetable showing the different events of the story and the days they happened on.

Friday

Warm up: Play this ordering the days of the week game:

[Days of the Week Ordering Game](#)

Task: Make up a song or rhyme to help you remember the days of the week and which order they come in.

You could choose your favourite tune and sing the days of the week to it, or make a mnemonic to help you remember the order of the days e.g. 'Send Me To Water To Find Snakes'.

Don't forget to log on to Numbots every day! Who can collect the most coins?

Good luck everyone!
