

Writing

Continue to practise writing your name.
Use the letter formation resource to make sure your name is perfect!

Use the Gingerbread Man word mat to help you write a sentence about the story. Remember to use a capital letter and a full stop!

Lots of animals want to catch the Gingerbread Man. Can you draw and label the animals from the story? Use your phonics to help spell the words.

How many words can you think of that rhyme with man? Send me your list!

Understanding the World

Computing—[Gingerbread Man Maths Game](#)

Science—Choose your favourite animal from the story and find out some interesting facts about it.

I can't wait to hear them!

Geography—Draw a map to show where the Gingerbread Man was chased.

Remember to include all the things he might have seen on his journey.

Reading

Read the story “The Gingerbread Man.” If you don't have this story at home you can listen to Ms Wetherell read the story here:

[The Gingerbread Man Story](#)

Comprehension

Look at the comprehension activity PPT and have a go at reading the captions and pointing to the correct picture. Let me know how many you get right!

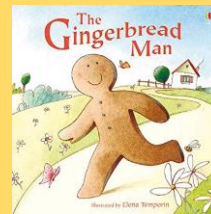

Once upon a time...

Reception Spring Term 2021

Our focus this half term is:
Once Upon A Time

We will be reading lots of different fairy tale stories and linking our learning to our favourite books.

This week our book is:
The Gingerbread Man

Expressive Arts and Design

Design and make a boat to help the Gingerbread Man cross the river—you might even be able to test it out in some water—does it float?

Make your own character puppets using paper and retell the story.

Draw a picture or make a model of your own Gingerbread Man.

Personal, Social and Emotional Development

Imagine if the Gingerbread Man met a kind character at the end instead of the fox. It would have been a much happier ending.

Can you think of your own kind character that could be added to the story?

Draw a picture of your character and give them a name.

Physical Development

Gingerbread Man Dance and Freeze—
