

Religious Education

Year: Reception

Week Beginning: 5th January 2021

Our next RE topic for the school year looks at Celebrations and how the parish family gathers together to celebrate.

This week we will be exploring what a celebration is and I would like you to look at the pictures (see resources) and talk about the different celebrations taking place.

Answer the following questions:

- What can you see?
- Who is celebrating?
- What do you think they are celebrating?
- How do you think they feel?
- What celebrations have you been part of.

Look at the song (see resources) and sing it together to the tune of “six a song of sixpence.”

Now can you design your own invitation for the class to celebrate a ‘*Welcome back to School Party*,’ for when we all come back to school?

Don't forget to email me your invitations when you have finished – I can't wait to see them!
