Dear Year One,

I hope that you and your families had a lovely Christmas holiday and that you are all keeping safe and healthy at home.

I have been thinking about you lots and I have been wondering about what you have all been doing in the holidays - I cannot wait to hear if Father Christmas visited your house on Christmas Eve and if he left you any lovely presents!

I have put some super special learning jobs for you all to do whilst you are at home. There is a Maths and an English job for you to do each day, plus you can choose another fun job to do.

I also know how much you all enjoy singing and keeping fit so I have put some funny Gingerbread moving songs for you to learn and enjoy - I hope that you all like them!

If you are not sure about any of the jobs, then you can ask your family to send me an email and I will try and help or you can chose a different job to do instead. My email is:
a.jewitt300@ourladyoflourdes.durham.sch.uk

I really hope that you all enjoy these special learning jobs Year One.

When you have finished your work I would LOVE to see it - you can ask your families to email me a photo or a copy of your work.

Stay safe Year One.

Love from

Miss Jewitt x
