

Tadeo Jones Recount

Standing a couple of footsteps away from an ancient, colossal and dusty tomb, Tadeo Jones felt a mighty gust of wind blow against his face as the door slammed shut with an almighty bang. A bundle of nerves swamped his stomach as he was unsure whether something mysterious or dangerous was inside the tomb with him. "You can do this." Tadeo whispered to himself and there he took his first steps into the unknown...

Meanwhile, he placed my burning, flickering lamp in front of his face while he explored curiously around the tomb. In amazement, he gasped "wow" as he stared at the wonderful hieroglyphics along the dusty wall. Around him were marvellous, precious, and historical Egyptian artefacts that must have sat there for many years. Slowly, he pulled out his archaeologist book to examine these mind-blowing discoveries but as he did this, he caught a gleaming shimmer in the corner of his eyes.
