Terrifying Tomb Comes Alive!

Yesterday, at 11:30am, it was reported that mysterious and terrifying events occurred inside of the Ancient Egyptian tombs. It all began 15 years ago when it was previously reported that Jones' father was ever so close to discovering the mysteries that hide deep inside of the tomb but sadly, his success was demolished as he was no longer to be seen! Instead, his legacy lives on through his son Tadeo Jones who decided to follow in his father's footsteps and finish what he had started.
