School Overview

Number of pupils in school YR-Y6	178
Proportion of disadvantaged	30%
Catch up Allocation	£14, 274.60

Use of funds Schools should use this funding for specific activities to support their pupils to catch up for lost teaching over the previous months, in line with the guidance on curriculum expectations for the next academic year. (See also EEF - School Planning Guide 2020-21) Schools have the flexibility to spend their funding in the best way for their cohort and circumstances. Accountability and monitoring As with all government funding, school leaders must be able to account for how this money is being used to achieve our central goal of schools getting back on track and teaching a normal curriculum as quickly as possible. Given their role in ensuring schools spend funding appropriately and in holding schools to account for educational performance, governors and trustees should scrutinise schools' approaches to catch-up from September, including their plans for and use of catch-up funding. This should include consideration of whether schools are spending this funding in line with their catch-up priorities, and ensuring appropriate transparency for parents. 	Barrier	Desired Outcome
1	Children's mental health needs are a concern due to the length of time off school and the impact of COVID 19 on families.	Staff are better informed and have greater clarity about how to support children with mental health needs. A Recovery Curriculum for mental health and well-being is delivered to all children on a daily/weekly basis.
2	Home learning provision and uptake among children is limited. Parents with more than one child at home struggle to support learning.	A strong remote learning offer is in place with clear expectations for pupils and staff. Parents are supported with home learning. Feedback is given to pupils.
3	Staff require CPD to ensure accurate assessment of gaps in pupils' learning. CPD required to ensure quality First Teaching	Accurate assessments in place and staff are confident and skilled to provide quality First Teaching.
4	Children in Early Years and KS1 have missed a significant amount of Phonics teaching.	A clear catch up programme in place – including smaller groups, increased number of teaching sessions and targeted intervention for those pupils who require it.

		Increased number of teaching sessions in school.
5	A significant proportion of pupils had limited access to reading materials during the summer term and therefore, their reading ages are lower than expected and below ARE.	Reading programme purchased for Key stage 2 which can be used at home and at school to ensure that children have access to high quality reading resources at home. Increased number of teaching sessions in school.
6	Only a small proportion of pupils engaged with the online learning materials provided for Maths during the summer term. This has resulted in many pupils working well below ARE.	A clear catch up programme in place in individual classes – including smaller groups, increased number of teaching sessions and targeted intervention for those pupils who require it.
7	A significant proportion of pupils did far less physical activity over the summer term than they would have in school and therefore are less fit and healthy.	Children are engaged in high quality PE lessons at least twice weekly. Outside agencies to lead physical activity during lunchtimes.
8	Food and clothing poverty are evident for a large number of children.	All children have what they need in school to access their learning
