The statement to live by this week is I know that it is ok for me to make mistakes. Please spend some time talking about what this means with your child.

Our thoughts and prayers are with the family of Jean Cudlip who has recently passed away. Jean was a very special member of our school family for many years and will always be remembered with love and affection. Our thoughts and prayers are with her husband Jimmy and her family at this time.

Lent

As we journey through Lent we pray that we can grow in the likeness and image of Jesus and prepare ourselves for Easter.

Pray for Peace

At this uncertain time, when peace in our world has been threatened, we pray for all those who are living in fear. We pray that global leaders, lead with wisdom and compassion holding the people of their countries in their hearts. We pray for all children living in risk or fear and ask our loving Lord to watch over them and comfort them during these difficult days. Please see the leaflet attached launching our Ukraine Appeal.

New School Facebook Page

We are happy to share with you that we have decided to create a school Facebook page in order to further improve communication between home and school. Over the next few weeks, parents/carers will be provided with more information and access to our school Facebook page which will give an insight into the exciting activities that take place within school and keep you up to date with important notices and events.

Go Heart Project

We are delighted to be taking part in the Go Well 'Heart Project' this Spring term. The aim of the "Heart Project" is to support children to be active at home with their families and friends. The programme lasts for 12 weeks, and each child/family will receive a bag of equipment, a medal, certificate plus information of where they can continue to keep active in the community. We hope that at the end of the 12 weeks the children and their families continue to use it to keep active, keep moving and keep healthy.

"As unique children of God we love, learn, grow and inspire.
We let our light shine."
