

School Meals Prices from **15 April 2024**

As you know we are committed to keeping our school meal prices as low as we can, however as food costs continue to rise we have made the difficult decision to make a slight increase to our school meal costs for our pupils and staff.

The increase will allow us to continue to use the **same quality products** and ingredients, offer the **same number of choices** and **keep our portion sizes the same**. It will also bring our meal costs more in line with those of the Local Authorities.

Primary School Meal will be £2.50
Secondary School Meal will be £2.60

This covers the cost of a main meal and a dessert, with water available in all our schools.

Don't forget currently all Key Stage 1 (Reception, Year 1 & Year 2) pupils are entitled to a Free School Meal. Speak to your school office for more information.

We have a Trust Family Support Fund which may be able to support any families that are struggling. Please contact your Headteacher to find out more.

Don't forget you may be eligible to access FREE school meals which also unlocks additional funding for school - visit your local council website for details:
